No

Yes, but now she has glasses. She uses them to see close.

7-8 at school, 9-10 at CRCA

She wakes up at 3 to pray.

Waking up at 3 during school. She wakes up at 3, reads and then studies until class at 8.

Sometimes I worry about my family because I don't know how they are getting along. I don't worry that much. I worry about my education. I have to study to understand and keep studying. I especially worry right before exams.

She has always worried about it

When I have joy and have peace.

No

We've been experiencing warm showers here at the safehouse. At school, I have good friends who are helping me.

First, it was hard to change the climate from home to school and getting used to school. I also had to find new friends. Susan and Nancy are my friends and help me make good decisions

Computer studies at school and when Auntie Naomi (supporter from Amsterdam) was here.
